Kia ora! I walk dogs in Hobsonville and nearby West Harbour. Here's how it works, so we both know what to expect.

- **Meet & greet first.** Before the first walk, I'll come and meet you and your dog for free, and we'll go through the client form together.
- **Paying.** I'll send you an invoice. Please pay by bank transfer within 7 days. Prices are below.
- **Cancelling.** Please let me know by the night before if you need to cancel or change a walk. Late cancellations are charged half the walk price, but your first one is free.
- **Leads.** Dogs stay on the lead, except in a fenced dog park if you've ticked "Yes" on the form.
- **Health.** Your dog needs up-to-date vaccinations and flea and worm treatment. Please tell me about any illness, injury or changes.
- **Vet emergencies.** If your dog is hurt or unwell, I'll contact you, then take your dog to your vet or the nearest vet. You pay the vet costs.
- **Safety.** I can stop walking a dog that is aggressive or that I can't walk safely. If that happens, I'll talk it through with you.
- **Weather.** Heat, storms or other safety worries may mean a shorter walk.
- **Keys.** Keys and codes are kept safe, labelled without your name or address, and given back whenever you ask.
- **Privacy.** Your details are only used to look after your dog. I never sell or share them, except with a vet in an emergency or if the law requires. You can ask to see or correct them at any time.
- **Photos.** I only share photos of your dog on social media if you tick "Yes" on the form.
- **Your rights.** Nothing here takes away your rights under the Consumer Guarantees Act or other New Zealand law.
